2023
Led documentation workflows and ensured timely completion of academic/project reports.

## 🌐 LANGUAGES

**English** (Proficient)     **Tamil** (Native)

## 📁 PROJECTS

**Sri Jayamurugan Transport**
07/2025 – 08/2025
- Created a modern logistics/transport platform using Next.js & Tailwind CSS.
- Designed responsive pages for services, booking, and company details.
- Focused on speed, clarity, and clean user flow.

**Travel Agency**
2024 – 2024
- I have successfully developed a user-friendly project with a Vite and React.js frontend, paired with a PHP backend.

**Consultancy Project**
2023 – 2024
**Uma Ghee Factory — E-Commerce Website**
Built a full-stack E-commerce platform using **HTML, CSS, JavaScript, PHP, and MySQL**, including user login, transactions, order management, and daily sales reporting.

**Wonders Of Handmade**
2022 – 2023
- Wonders of Handmade is a web-based platform designed to promote Indian handicrafts by showcasing traditional art forms, artisans, and their products. Built using HTML, CSS, and Bootstrap, the website offers a visually appealing and user-friendly interface that highlights India's rich cultural heritage.
